Re: Beach Commission Application

Dear:

I am writing this letter to express my support for the Scituate Beach Commission's application for Mobi Mats for Sand Hills Beach. The mats are widely used at beaches throughout Massachusetts to improve accessibility for persons with mobility challenges. The mats will be managed by the Department of Public Works. The mats will be deployed at the beginning of the summer season around Memorial Day and removed at the end of the season near Labor Day and stored for the winter.

If you would like to contact me for further information you can reach me at 781-585-8829 or cmiles@scituatema.gov.

Sincerely,

Corey Miles, CFM

Coastal Management Officer
